

Quantedge Capital Summer 2026 Internship Quantitative Investment and Trading Singapore

Quantedge manages more than USD 4 billion and has a more than 18-year track record of outstanding performance. We have 120 employees located in Singapore and New York City. Our organization is flat, non-bureaucratic, and results-oriented with significant opportunities for advancement for driven team players. We invest heavily in the career development of our employees, maintain a sustainable work-life balance, and offer generous compensation and benefits.

We seek exceptional individuals to join our Quantitative Investment and Trading Summer 2026 Internship Program in Singapore. This internship is for students who have strong quantitative and technical skills. You will build quantitative research and trading models and contribute to the fund's investment strategies as part of a high caliber team of investment professionals. Excellent interns will be offered permanent positions post-graduation.

What We're Looking For

- Talented individuals with a strong foundation in a technical discipline
- Problem solvers with a keen interest in quantitative modeling
- Team players and self-directed learners who display meticulous attention to detail and strong work ethic
- Expected graduation date up to and including mid-2027
- Willing to work in Singapore post-graduation on a permanent basis

Location

Singapore

Application Instructions
