

Quantedge USA 2025 Execution Analyst Recruitment New York

Quantedge manages more than USD 4 billion and has an 18-year track record of outstanding performance. We have offices in Singapore and New York City. Our organization is flat, collaborative, and results-oriented, offering significant opportunities for advancement to driven team players. We invest heavily in the career development of our employees, maintain a sustainable work-life balance and offer generous compensation and benefits.

We seek individuals who are interested in finance to join our Execution desk, to assist in executing trades across various financial instruments, such as stocks, futures, options, bonds, currencies, and swaps. The role will also involve managing Quantedge's relationships with our brokers, monitoring markets, while ensuring compliance with internal execution policies, regulations and guidelines.

What We're Looking For

- A Bachelor's degree in Finance, Business, Economics, or other technical degrees; graduating no later than July 2025
- Interest in financial markets; no prior financial experience is required
- Good numerical skills with excellent attention to detail
- Team player with good communication and interpersonal skills

Location

- New York City
- Analysts will undergo training at Quantedge's office in Singapore from August 2025 to January 2026, before returning to work in New York on a permanent basis
- The role requires travel to Singapore once a year for a few weeks

Application Instructions

Please visit <https://www.quantedge.com/careers> to apply. Offers will be made on a rolling basis. Applications will close when the program is full.
